We will supply you with a black OS Band Dads Day shirt (unless you already have one). You can wear jeans or dark pants and sneakers and probably might want to bring a jacket as well. Just check in at the indoor center at 8:00 a.m. and you will be with us for the rest of the day. We will have our photographer available at lunch to take a photo of you with your son/daughter. The Dads will be sitting/standing in the corner of the stadium on field level for the game (we don't have room in the stands any more!).

Let me know if you have any questions and PLEASE let us know if your plans change and you will not be participating so that we can get a Dad who is on the "Alternate List" in on the show.

Go Beavs!
